This week...

Sparrow Class impressed us in their assembly this morning. They sang a song in French and orally retold us the story of Jack and the Beanstalk.

Yesterday four Year 2 children represented us at the Challenge Cup event for Science. They made a wormery which is now in Kingfisher Class. They came second. Well done!

Don't forget we have one more week and then half term.

Have a good weekend

Sport News

This week our Netball team played against Field Jrs. They showed great sportsmanship, Daisy P scored, however the final result was not ideal for us! Thanks to Mrs Burns for organising.

Congratulations to all the children who received a Gymnastic

certificate in this week's Sharing Assembly.

Author Visit

On Wednesday children's author ER Reilly www.er-reilly.co.uk came to talk to the children and share his love of reading and writing books. The children sat enthralled throughout. He has left the children with writing challenges to complete. Order forms to be returned by Monday.

Home Start

Emma and Alli came from Watford Home-Start to talk to the children about their

organisation. The children were keen to show what they know about charities and took part in a role-play session. Don't forget to wear a heart or something red for Home-start on Friday and donate £1!
