Enjoyment and Achievement for All

Dear Parents / Carers,

As requested, we are pleased to be able to offer the following clubs for the Autumn Term. We are still waiting on some clubs to confirm their details and will release them when we can.

Bookings must be made on the School Gateway, and please return the relevant club form to school to ensure they have all the details to keep your child safe. These forms will be held by the clubs during the sessions as the school office may not be available.

Following parent requests, all clubs will be available to book from August 8th and bookings will be available on a first come first served basis at this time. Please note that the school office is closed until 1st September.

For each club there is also a waiting list option. If you are unable to book onto a full club, please add your details to the waiting list as we can assess the demand and see how we can help.
