**Castle Construction!**

**Attendance Winners**  
Congratulations to Eagle and Kestrel Classes 100% attendance this week, well done!

**Our theme of the Week**  
Help others to feel part of a group

**Song of the Week**  
Everybody!

## Message from Mrs Pace....

As you can see the castle construction is going very well. The children are very excited and eager to play on it. Hopefully it will be finished early next week.

Last Friday Nightingale Class had the opportunity to visit Merchant Taylor's School for the day, they took part in German, Spanish and Greek lessons, in addition to enjoying lunch and a PE activity. The teachers commented on how well the class behaved which is always a pleasure for me to hear.

The School Council have been discussing rules for the castle and looking at the options for KS2, including sun sails to provide much needed shade and a trail for children to play on.

This term we have provided multisport activities for KS2 at lunchtime, each day one class has the opportunity to play a game such as hand ball and cricket, which children have really enjoyed.

This afternoon we had a surprise visit from a theatre company, the children enjoyed The Wizard of Oz, which was a lovely way to end the week.

Next week Year 6 will be taking their SATs which they have been working very hard to prepare for.

Have a good weekend.

*Have a good weekend,*

*Mrs Pace*

## Meet The Team....

This week our spotlight is on Alex, our Caretaker.

Kika and Luis from Swift Class interviewed Alex on his role in the school:

Kika: What are your hobbies?

Alex: I like to play football and I support Liverpool. My favourite player of all time is Steven Gerrard

Luis: Do you enjoy your job and why?

Alex: I love my job! I like seeing everyone's smiling faces and enjoy keeping the school tidy and safe for you all.

WAIT AND SEE WHO IS IN OUR SPOTLIGHT NEXT WEEK!

## Assembly Theme This Week...

The theme this week has been about the benefits of recycling. Did you know If we recycle all the steel packaging we use in a year, it would save enough energy to make over 50,000 return train journeys between London and Edinburgh!

## Uniform Sale...

A big thank you as we have raised over £220 with some money still to come in.

## Reminders

### Dropping off at School

Please be considerate of our neighbours when parking before and after school.

Please remember to bring your children into school. It is not safe to stop on the road and let them run into school.

### Volunteers

We really appreciate any offers of regular help. This could be an hour a week to hear readers or support in the garden when the weather is warmer. Please speak to Mrs Pace or Mrs Gibbs if you are interested.

*The ninety-minute twilight session on Mindsets and Motivation that Robin led at my school was outstanding. I have never experienced a more positive response...Robin's fast-paced and humorous delivery engaged everyone and led to instant changes. I would wholeheartedly recommend a visit from Robin...Steve Kelly Headteacher, Arnold Academy*
